HOLMEWOOD HOUSE SCHOOL

School Minibus Service 2018-2019 – charges

4th June 2018

Dear Parents

The school minibuses charges have been reviewed for the school year 2018-2019.

Wherever possible, the aim is that the service covers its costs and that parents who use the service pay their fair share of these operating costs.

The school has decided that despite an inflation rate of between 2% and 3% there will be no changes to the regular usage rates, ad-hoc rates or cancellation charges.

Costs for one morning or evening trip per week for the term will therefore remain as:

Up to 3 miles from school	£27.50
Between 3 and 6 miles from school	£38.50
Over 6 miles from school	£44.00

Costs for ad-hoc usage (per trip):

Up to 3 miles from school	£4.00
Between 3 and 6 miles from school	£5.00
Over 6 miles from school	£6.00

There are no changes to sibling discounts (30% discount for the 1st sibling and 50% for subsequent siblings). Note that these discounts apply for regular usage but do not apply for ad-hoc usage.

As a reminder please note that where regular usage stops part way through a term parents will be billed up to the next half term or end of term.

If you have any queries regarding the minibus service please do not hesitate to contact the co-ordinator, Mr John Preston, on the School number or by email: minibus@holmewoodhouse.co.uk

Yours sincerely
